No bites.

Let's make some more mead!
You made me mend all your clothes after your partying...
Next year.
I'm saving the rest of this for medicine.
ぼー…
Hey... Hasn't she been doing the same thing all day?
Her focus is amazing.

Suitable clothes for me?
She didn't like me, right?
sigh...
My emotions are all over the place from what she said.
Here's some food for you, Yuuri! Eat up!
Is Fana picking on you?
Want me to tell Kidaha?
No, she's not...
I want to know how Fana feels about me.
Maybe I should go ask Kidaha about it...

Someone's talking?
Wonder who it is.
!!
mn!
ahh!
I shouldn't have come at night!
I'm such an idiot!
Hey, wait!
Fana!
Fana?
ha...
mh...

haa
Fana? You sound angry.
I am enjoying this, though. ♡
haa
Stop calling me like that!
haa
You're still treating me like a younger girl...
mn...
Leaving me to go drink with Kotono...
This is payback!
ahhh! ♥
B-But Kotono asked me out first...
ah!
ah!

Sorry for letting you down.
I'll make up for it tonight,
so maybe we can change positions-
Quiet!

ahhn!

you can get off the hook just by spoiling me a bit, you idiot...

Oh.
You heard us?
I didn't know you had such a kinky side.
Huh?
Were you doing it alone?
...
It-It's not-

Come in.
You needed something, right?
I'm out.
Your cute new wife is here.
Huh?
Yuuri!?
But you were too rough with me. I still can't get up.
haa haa
How can you tire out so quickly on the bottom?
To-morrow it is, then
....
Fa... na...
きゅ...

I came because I wanted to ask about you, Fana.
So please,
I want to know how you feel about me...
and why you're scowling all the time, even though your smile's...
so wonderful...
I'm being weird.
What am I saying.
And what kind
of face were you making earlier...
could you tell me yourself?

My chest hurts.
Tell me...
I want her to touch me.
I'm scared, but I want her to recognize me. She's all I can think about.
I've never felt like this before.
...I was born with this face, alright? I'm sorry!
As for what I think of you...
I hate it.

I hate it when you wear clothes that were made so carelessly.
So tell me
about yourself.
Then I'll know what's suitable for you.
Ah...
I hate these clothes that don't suit you.

Take it all off and show me, Yuuri.

I find it more enjoyable to do it when we're alone, though.
Let me look inside.
Kyahh!?

Spread your legs more.

Um... What now?
It felt like they were cheating right in front of me...
I'll just pretend I didn't see anything. Yeah...

It's a shame to wear clothes you don't like.
I couldn't see any effort in your outfit.
You thought she didn't like you?
Fana's been obsessed with your outfit this whole time!
She's such a workaholic.
Kidaha!
...
I'm glad...
じわ
I DON'T LIKE GIRLS WHO CRY!
Eek! I'm sorry!
Scary.
Um, you said
I wasn't suited for making clothes...

If it was just about covering up, hides or straw would be enough.
But the clothes we make
protect both the heart and body of those who wear them.
How can I let someone who is so careless with their own clothes
make clothes for my precious friends?
じ…
So what do you think?
Can you think of a suitable outfit for her now?
You're making new clothes for her, right?
Hmm...
Um!
さっ

Please let me make it!
My own outfit!
But I...
I may not be as good as you, Fana...
Hm...
Go for it.
I'm sure they'll be the clothes that suit you best.
